

## Wild Things School – Parking Options

Unfortunately, I am not able to offer parking at the school during term time as the school has limited car parking for teachers and support staff.

I have provided a map below which shows places you may be able to park – the areas in red are spaces for on street parking – please check how long you can park in each space for.

*Wild Things cannot take responsibility for providing parking or guaranteeing parking.*

**Parking on weekends or during the holidays:** On a weekend and during holidays there are often parking spaces at the school, however please enter the school from the Nunthorpe Avenue entrance (rather than from Philadelphia Terrace entrance as this car park is locked earlier and you risk being locked in).

This information is accurate at the time of print. Please double check the parking restrictions on the day to make sure they haven't changed.

**Parking Tips**  
Aim to park by 10am – after this the spaces seem to get taken.  
**Bishy Road & Nunthorpe Lane car park** have recently had their car parking fees hiked so you may want to avoid using these

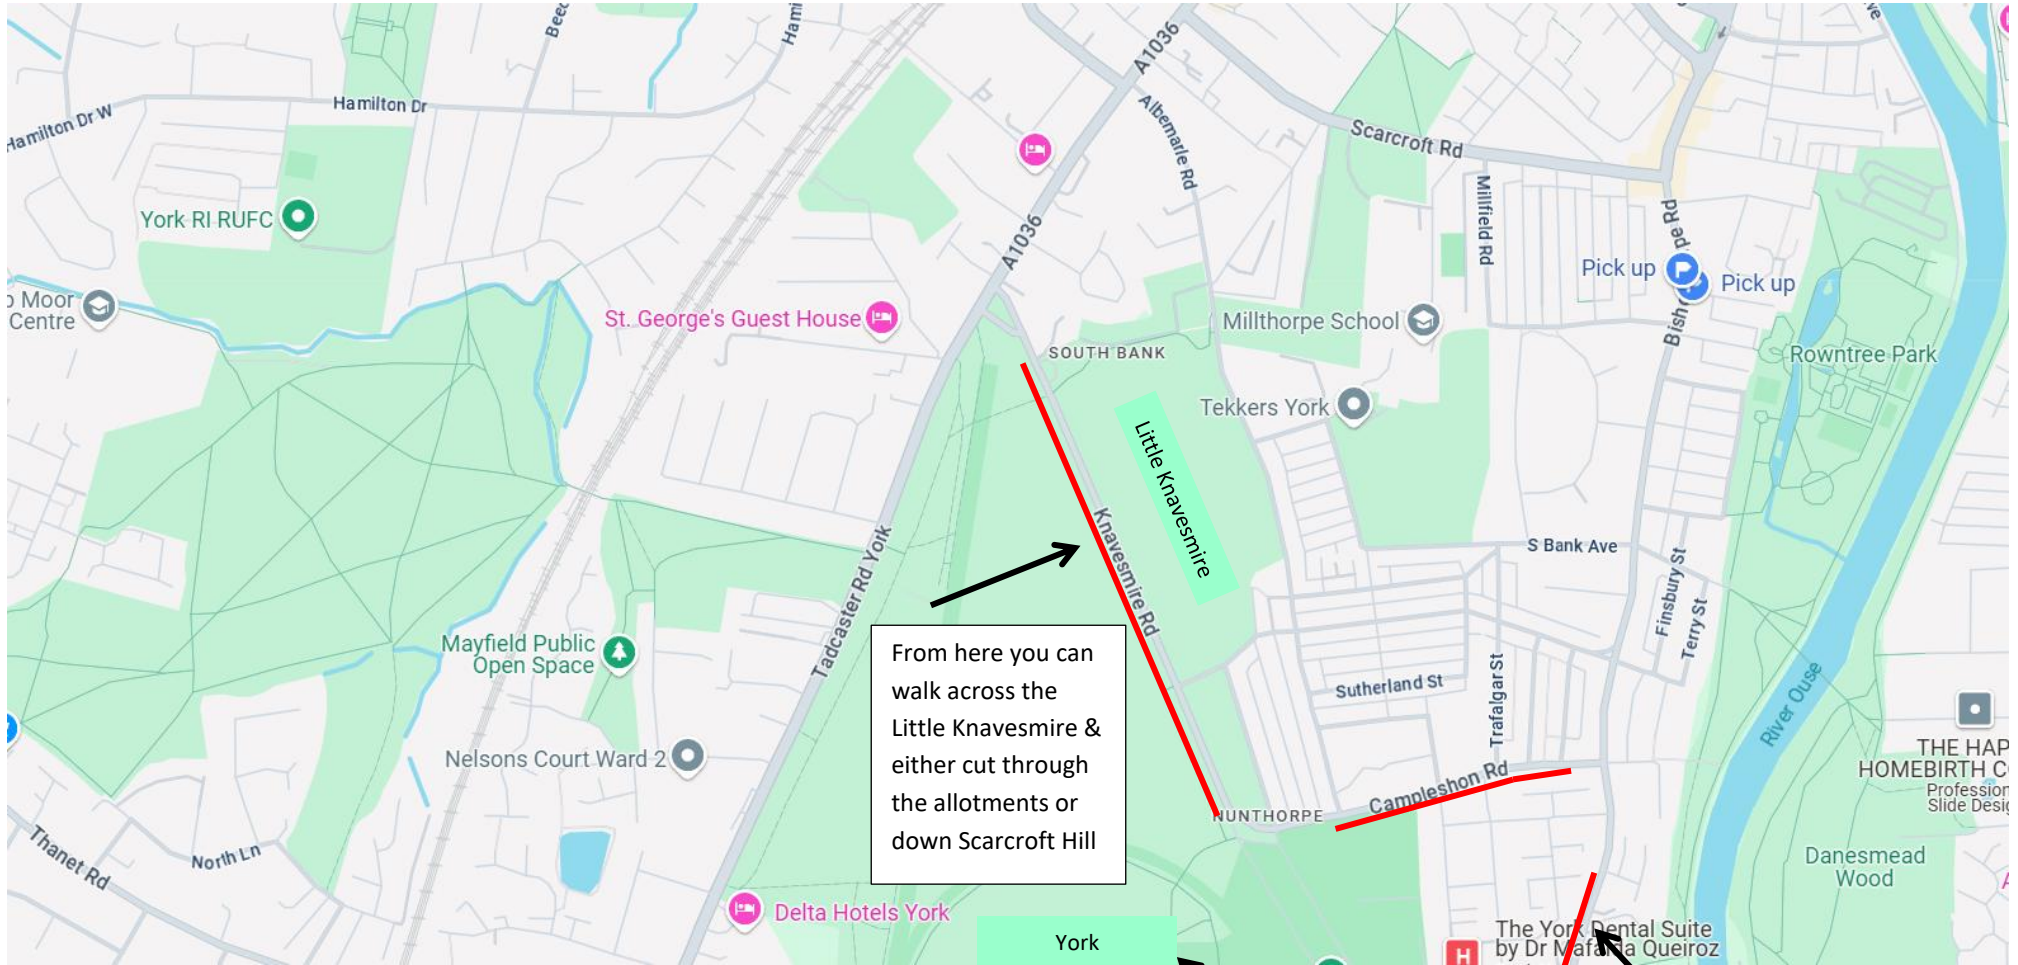

### KEY

 Council Car Park

 Free parking on Scarcroft Road & specific areas on Nunthorpe Road (opposite Clements Hall)

## Wild Things School – Parking Options

From here you can walk across the Little Knavesmire & either cut through the allotments or down Scarcroft Hill

York Racecourse

When the races aren't on there is parking at York Racecourse.

From Terry's Chocolate Works there is a section you can park. Check street signs & avoid residential parking which is the section just before the junction with Campleshon Road.
