

Where the Wild Things are...

When you come to Wild Things Forest School I will meet families at the large tree near the car park.

Meeting place

However, if you are running late the directions to get to our base camp are listed below:

The path forks to the left or goes straight on. Go straight on past the noticeboard.

The left hand path leads to the park, play area, pop up café and toilets.

Go through the green gates.

Walk down the path,
past the benches until
you reach Tree No 5.

From the path you will see a gap in the
trees, follow these down into the wooded
area and you will see a log circle where we
meet at the beginning of the session.
